Form 990, Part III, Line 4a, Program Service Accomplishments:

Texas 2036 continued to develop and engage with multi-sector stakeholder coalitions including Aim Hire Texas, a statewide consortium of advocates, employers, non-profit organizations, and education and training providers focused on improving the Texas workforce system; the States for the Future network, a collaboration of organizations and states pursuing a new approach to solving significant and systemic challenges; the Texas Water Funding Coalition, a group of business leaders and organizations from across the state urging Texas leaders to establish a dedicated revenue source to fund water projects including expanding the state's water supply portfolio and fixing aging and deteriorating water systems; and Employers for Childcare, a diverse group of business leaders collaborating to develop and advocate for public policy reforms to expand access to affordable, quality childcare for working families in Texas.

Texas 2036 also developed and initiated several projects to continue to document the challenges and opportunities facing Texas, including data analyses, research summaries, reports, and related resources aligned with its strategic framework. These materials have been, or will be, made publicly available to support informed understanding and consideration of the issues affecting the state.

Form 990, Part III, Line 4c, Program Service Accomplishments:

In 2025, we completed new publicly-accessible data tools examining hospital quality and price measures in Texas, the geographic distribution of uninsured residents, the fiscal impacts of residential development patterns, and statewide population growth trends over the past century.

Texas 2036 also completed substantial work on a forthcoming online data dashboard examining the geographic and demographic distribution of access to college and career courses in Texas, the impact of advanced coursework on student outcomes, and the effects of public school and community college finance options on course access. This work complements our 2025 report, Pathways to Rural Careers in Texas, which presents research and analysis related to postsecondary and workforce pathways for rural students.

During 2025, Texas 2036 conducted its 9th Texas Voter Poll to collect data on Texas voters' perspectives on key policy issues including education and health care, and prepared publicly available summaries of findings from the poll.

Form 990, Part VI, Section B, line 11b:

Form 990 is prepared by an accounting firm and reviewed in detail by the VP of Finance and the SVP of Strategy and Operations, who then provide the Form 990 to the President/CEO, Board Chair, and Finance and Audit Committee of the Board for their review. The return is then provided to the full Board for review and approval before filing with the IRS.

Name of the organization	Employer identification number
Texas 2036	81-3063099

Form 990, Part VI, Section B, Line 12c:

The organization monitors and enforces compliance with the conflict of interest policy with periodic, annually signed statements from employees and board members, which are then reviewed by counsel to identify any potential issues. If an issue is identified, counsel reports it to the President/CEO and the Finance and Audit Committee for their consideration. Board members recuse themselves from votes related to their employers, companies, and any other related entity.

Form 990, Part VI, Section B, Line 15:

The organization contracted with Forvis Mazars, LLP to produce a compensation market summary report in the fall of 2024. The study relied on comparability data from similarly situated organizations and was used by the Executive Committee of the Board in determining the compensation of the President/CEO in 2025. Data from the study was also used by management in 2025 to evaluate compensation for all other officers and employees, which was then set and approved by the President/CEO.
